

Welcome!

We want you to enjoy the use of this building. With the understanding that CCC's guidelines will be met, we gladly make it available to you for use on one of the most important days of your lives.

Making your reservation

Dates and times for rehearsal, wedding and reception are available on a first-come basis. We encourage you to tour the facility as part of your decision making process. Only one wedding per weekend will be scheduled, however, other areas of the building may be in use at the same time as your event. Attention is always paid to insure events do not interfere with one another in any way.

Contact the church office (573-592-4977) for availability or to schedule a tour. We will work with your needs and guide you through our expectations for use of the facility.

Should you choose to use CCC, your wedding will be placed on the church calendar. We suggest you make your decision early as we cannot hold dates open on the event calendar.
